

ACI MARINA RAB

SUMMARY OF INFORMATION FROM THE WASTE RECEPTION AND HANDLING PLAN

Information for port users – Article 61(4) of the Ordinance (Official Gazette 72/2021)

1 LOCATION OF PORT RECEPTION FACILITIES

Permanent containers for separately collected waste are located within the marina at the locations indicated in the Plan. For liquid, hazardous and other waste requiring special collection, a mobile reception facility operated by an authorised operator is used.

2 WASTE COLLECTION HOURS

Permanent containers are available 24 hours a day. Mobile collection is organised 24 hours a day; however, night-time operations are avoided for safety reasons.

3 TYPES OF WASTE AND SERVICES AVAILABLE

The marina accepts mixed municipal waste, plastic, paper and cardboard, metal packaging, glass, waste oils and lubricants, oily waste and filters, and sewage, as well as other types of hazardous and non-hazardous waste covered by the Plan, subject to the available reception conditions.

4 CONTACTS – OPERATORS AND SERVICE PROVIDERS

Authorised operators/service providers: Vrelo d.o.o.: Palit 50/b, 51 280 Rab, 051 724 031, vppaparc@vrelo.hr; Rijekatank d.o.o.: 091/125-8001 Antonio Vukov av@rijekatank.hr.

5 PROCEDURE FOR DELIVERY OF WASTE FROM SHIPS

Separately collected waste is placed in designated containers or handed over to an authorised operator. Collection of liquid, hazardous and other waste requiring special handling must be arranged in advance. Following collection, a Waste Delivery Receipt is issued; all waste from the vessel must be delivered before departure.

6 COST RECOVERY SYSTEM

The costs of receiving and managing waste from vessels are covered by an indirect waste reception fee.

7 FEES AND BASIS OF CALCULATION

For vessels with a contracted nautical berth, the fee amounts to 1% of the berth fee under the berth contract; for vessels in transit, it amounts to 1% of the berth price, irrespective of the actual delivery of waste.

For further information, please contact the reception of the relevant ACI marina.
